

**Cedar Lake Camp is proud to offer our NAVIGATE Gap Year Program! NAVIGATE is an opportunity for young people to learn the ins and outs of camp ministry, gain practical skills, and grow closer in their personal relationship with Jesus Christ.**

**Our Gap Year Program began back in 2019, becoming a way for college-aged students to be able to work within Cedar Lake and see the ministerial, managerial, and detailed work outside of the summer season. NAVIGATE is a wonderful addition to the off season, providing the students a chance to learn a vast variety of skills in the 10 months that they are here.**
