▪ **Tshirts-**Each Canoe camper will receive ONE free shirt. These will be available for pick up during check-in.

📖 **Meals:** Three meals a day are included in your camp fees. All meals are prepared on the island. \*\*\***Campers need to bring their own bowl, utensils, and water bottle** (recommended). **Food Allergies:** We don't want any child to miss out on camp due to food allergies. Please inform us of your camper's needs and we will do our best to make adjustments within reason for minor food allergies/intolerances. If your child has a severe food allergy, we ask that you please send food substitutions and instructions for preparation in order to guarantee they do not eat something they shouldn't. **PLEASE KEEP IN MIND THIS IS A PRIMITIVE CAMPING EVENT** so please send food that is appropriate and can be prepared outside.

📖 **Campsite Placement:** Canoe campers are divided by gender. Girls sleeping area is on one end of the island, guys on the other. There is a common area in the middle for meals, campfires, and games.

📖 **Groups/Group Holds:** The group hold feature allows groups to hold a number of spots for campers for a limited amount of time. It is available for groups of all sizes, however it is typically for groups of 10 or more. **Group Discount:** In order to receive the 10% discount per camper you **MUST** be part of a group of 10 or more (campers in a group can come different weeks and be both genders) **AND** enter the group code for each individual camper at the time of registration. Again, you **MUST** have this group code in order to receive the group discount for groups of 10 or more.

Please label ALL your camper's belongings with their name. **We encourage everyone to look through the items carefully as we will not be able to return any items after the camper's completed week.** All lost and found items not picked up will be donated at the end of each camp week.

# **WHAT TO BRING/NOT TO BRING FOR CANOE CAMP:**

## **WHAT TO BRING:**

**A fun, flexible attitude!!**

**Bring Friends!!**

**Keep in mind that all personal and camp gear will need to be transported by pontoon to the Island. And it will need to be carried up a fairly long and steep incline to get onto the Island. So space and muscles may be limited please do not bring unnecessary gear or excessive clothing.**

### **General Gear**

Sleeping bag or bed roll

Pillow

Bath/beach towel

Toiletries (soap, shampoo, toothbrush, toothpaste, etc)

Bug spray

Rope or para-cord (for tarps and hammock sleeping)

Plastic washable bowl, utensils, plate, water bottle

### **Clothing**

We typically have cool mornings on the island and usually experience some rain (pack appropriately)

Light jacket or hoodie

Raingear

Clothes for the duration (you carry what you pack!)

GIRLS: modest one-piece swimsuit

GUYS: shorts type swimsuit/boardshorts (NO SPEEDOS)

1 pair closed toes shoes (preferably old tennis shoes)

Flip-flops, sandals, or water shoes (will be needed to wear in lake when swimming/bathing)

Hat (if that is your style)

**Shelter**

Option 1: One Person Tent with rain fly or tarp. (Please make sure it's designed to camp in the rain, FYI play child tents are not.)

Option 2: 1 or 2 poly or plastic tarps (10X10) and a hammock with straps. Tarps are secured above with rope for shelter

Option 3: Some prefer a Hammock for sleeping and a small tent for storing clothing and gear. Just please remember space is limited for gear. Keep it minimal. (You carry what you bring!)

**Packing Instructions & Tips**

---

Pack light, we have tools and cooking gear please do not bring unnecessary items. If you are unsure call and ask.

Pack gear/clothing in plastic bag and then put in duffle bag to help keep dry. **Suggestion:** Put all bags in large garbage bags and label with campers name. This bag will be transported to the island by pontoon boat, know that it could rain along the way. You will need a small bag/backpack (preferably waterproof) to keep your essentials (snacks, sun screen, etc.) in your canoe. It is also a good idea to keep drinking water in your canoe and sun screen.

**MAKE SURE TO LABEL ALL GEAR WITH YOUR NAME!!!!**

**WHAT NOT TO BRING:**

Cell phone

Electronics (Ipads, games, etc.)

There will be absolutely no tobacco, drugs, alcohol, fireworks or weapons

No inappropriate clothing

No inappropriate reading material

Excessive gear or clothing

We look forward to the experience that each of us will have during a week that will be packed with physical and spiritual challenges. Canoe Camp is an exciting time to study God's Word in the beauty of God's creation.

Sincerely,

The Cedar Lake Camp Staff
